

RUBBER REVIEW

The newsletter of Rubber Man's Club - Issue 12 July 2010

Members are reminded that they can obtain more information by logging on to the Rubber Man's Club website at

www.rubbermansclub.org

Contact Details

It might sound as though we are stating the blindingly obvious but unless you keep Oz updated with any changes of your personal contact details he cannot guarantee you will continue to receive communications from Rubber Man's Club

Pride 2010

We understand that Pride 2010 went off well. After trials and tribulations the bus was a success. Unfortunately our chairman was unable to attend due to illness but reports indicate that a good time was had by all.

AGM 2010 and beyond

When you receive this newsletter a letter from the chairman will be attached. Please take the time to read this letter. It follows on from a frank discussion which took place at the AGM. At the meeting those present addressed themselves to the future of Rubber Man's Club and what we wish to see happen when the present chairman and secretary step down in April 2011. Any views are most welcome. What we do not want to happen is for no one to communicate.

The 41st Birthday Event

As foreseen the 41st Birthday passed off quietly. In fact after last year anything would have been a quiet affair.

Attendances at The Fort

It would be nice to see more members living in the London area making more of an effort to get to The Fort for Club nights. Even if you do not want to stop all evening and want to go on elsewhere we would like to see you. Entrance to The Fort is free for RMC members and a free first drink is included.

FUKC Conference 2010

Our friends in MSC Bournemouth have lined up a very interesting weekend for the FUKC Conference. It will be good to be at the seaside again. Hopefully the weather should be good and there will be plenty of time for fun and frolicks as well as the business of the conference. Once again the conference will be chaired by our friend John Grimshaw who will doubtless carry on the good work he started when he chaired the conference hosted by MSC London in 2008 as well as last year. RMC will be represented by our chairman and secretary.

ECMC Conference 2010

A reminder that the booking details are out for the ECMC Conference in Frankfurt on the 1st October. It promises to be a full on fetish event and not for the faint hearted. Anyone wanting to go along can book direct. If you do book please let Oz know so that we can meet up during the weekend. Perhaps we can have an RMC group at the weekend?

Unwanted Kit

Do you have any unwanted kit that you would like to donate to the Club for the next Kit Sale. If so, please contact Oz on rmcsecretary@aol.com. Collection can be arranged wherever possible.

Found on the beach and needed resuscitating!!!

So was this one

or was it me that needed the resuscitation!

Donations to Rubber Man's Club

Several members have very kindly donated kit for the Kit Sales. Some of this is of such good quality that it does not justify being placed in a general sale. We are hoping to advertise these items on the website with a view to inviting reasonable offers. Please keep an eye on the site for further details.

We are always interested in taking any surplus kit from members who would like to donate it to the club. Just give us a call or send an email.
